General Project Cost Information

1. The RTP is an up-to-80 percent matching grant program and the COTF is an up-to-75 percent matching grant program. Payments to a project sponsor will cover up to 80 and 75 percent respectively of the total cost of acquisition, development, maintenance, or rehabilitation undertaken by the project sponsor. *If you are applying for both grant programs please complete a Cost Summary Chart for each grant program.*

Grants may cover costs applicable to:

- a. Cost of land acquisition
 - b. Cost of engineering design services performed by an outside consultant (must be incurred within project period).
 - c. Direct labor costs - NOTE: Funds may only be used to pay the salaries or wages of employees specifically for this project.
 - d. Cost of special tradesmen secured under a service purchase agreement
 - e. Cost of rental of equipment
 - f. Cost of construction contracts
 - g. Cost of materials purchased for the project
